GREENS DIRECT

Established in 2009, we are a local family run business based in West Sussex.

We are a complete supermarket dedicated to help people later in life or with limited mobility.

Our team are friendly, enthusiastic and love to stop for a chat! In addition, all our team are First Aid trained and adopt all necessary Covid-19 precautions with the highest levels of hygiene. A detailed background check is completed on all our staff. Your safety is paramount to us.

We strive to offer help and support where needed to ensure that our loyal customers can purchase groceries in an organised and relaxed environment within their homes.

Our mission statement is to 'listen, help, deliver'. If you are not happy, we are not happy.

We live by our company mission and values and pride ourselves in our service.

WHAT SOME OF OUR CUSTOMERS SAY...

"For me, Greens Direct provide a first class food shopping service that I couldn't do without. It is a very personalised service and they know what my usual preferences are. The delivery guys are both thoughtful and considerate. I have got to know them both very well and can always rely on them, delivering right into my kitchen with due care and attention. They always ask how I am and how my week has been, making me feel quite at ease."

Marie Spencer

Caterham

"We have used Greens Direct for 2 years I order for my mother, they are fantastic! Always letting me know of any concerns regarding her health. This service is a god send to me as I live over an hour away, such a good piece of mind someone is checking on her every week. 100% recommend them."

Shirley Billinghurst

What makes us different?

When a new customer places an order with us, we ask you to complete a registration form. This form helps us understand your requirements, so your delivery driver can provide a tailored service. You can also select to receive a reminder call each week if we haven't heard from you. We take details of your next of kin, so if there are any concerns we can get in touch with them and offer any help. Every customer is part of our family.
